You idiot! Stop doing such stupid things!

We can't do anything in this situation.
It doesn't have the worth of a hostage for me

What? Then why did you come here?!
Honestly, I don't want to save him after seeing his face.
...What is this? Boss, they're fighting each other...?

You have a useful talent.
You're way better than Lee Shibaek
WRIGGLE
Well, this is the most basic of the basics~
You were pretty good too~
Anyway, we beat them up and saved this guy...
so let's go back.
Okay!
↑ This is what a shoujo manhwa's male protagonist looks like foaming at the mouth.

Next day afternoon,
Yeon-an, Gam-yung
Those guys are the Jeokryon-dan, right?
Oh my-
They look brutal.
You rascals! Your sins have come to light!
You will get what you deserve!
Do you understand?

And this time, Lim Kyeong-eop, who has done us a great favor, thanks to you we caught the bandits.
I'm too grateful for your praises.
And to Park Boreum, my daughter-in-law, for lending a hand in catching them. You really are the Taoist Cheonsa's daughter.
Thank you, Father-in-law.

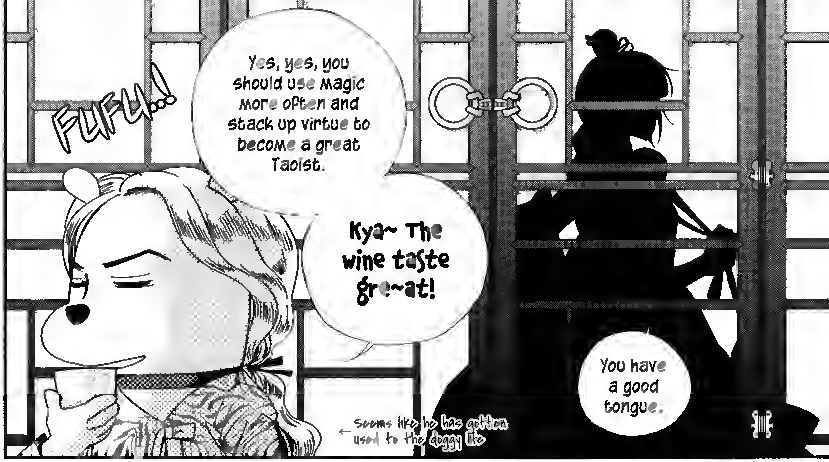
But... why is that guy standing there?!
Uh... That is...
Don't tell me that he got caught and had to be saved!
STAB

TH-THAT'S NOT IT... HUBBY USED UH... HIMSELF AS UH... BAIT!
HE WAS THE BAIT THAT WAY WE COULD CATCH THOSE BANDITS MORE EASILY.
This was all hubby's idea!

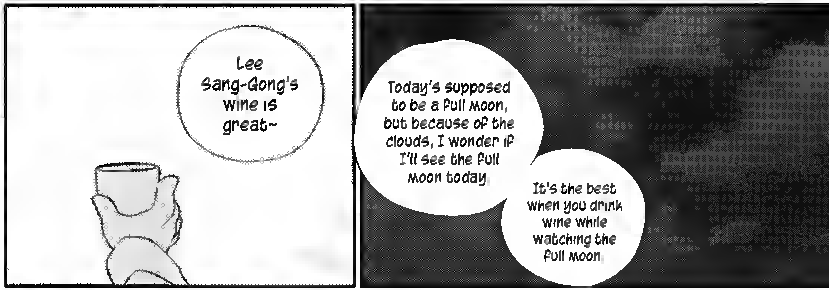
To tell or not to tell
Right?
Right?
Tell him. . quickly...
Well...It's not that wrong...
And Dey Dusly's current state is something more or less not worthy.
.....
What is with the youth of our province being so cheerful and energetic?
What. . Well...
Hm...
I'll let you fool me.
Eek
GLARE
Sigh. . Okay...

I hope that the three of you will live on as righteous role models of Yeon-an.
And Shibaek, you nee~ver think of running away again, do you understand?!
I asked the townpeople to inform me whenever they see you making trouble.
Yes...
I understand, Father.
GOSSIP
GOSSIP
Ah! What humiliation

I heard that young Master Kyeong-eop defeated them with a single strike!
Is it true that his daughter-in-law is a great Taoist?
But... that young Master Shibaek used himself to lure those bandits
Even I would've gotten lured by him Hahaha!
I'm back!
Hey-!
I heard that you defeated those bandits? Pretty good, eh?
Hm... it was a piece of cake
Ah... My clothes are a mess. And the embroidery is gone...



FUFU...!
Yes, yes, you should use magic more often and stack up virtue to become a great Taoist.
Kya~ The wine taste gre~at!
You have a good tongue.
← Seems like he has gotten used to the doggy life



Lee Sang-Gong's wine is great~
Today's supposed to be a Full Moon, but because of the clouds, I wonder if I'll see the Full Moon today.
It's the best when you drink wine while watching the Full Moon.

Ah, is it the Full Moon already?
.....
WHAT?! TODAY IS THE FULL MOON?!
RATTLE
.....?

Yeah, but the clouds are shrouding it.
Where are you going?
HURRY
SCURRY
Yeah! That place looks like there will be less clouds.
I'll go watch the moon!
...What's with the sudden moon watching?
What's with her? Isn't she tired?

Aaah! When are the clouds going to clear up?!
Where do I need to go see the Full moon?
Let's try over there!

The Moon Ring Lake near town
Sigh... Father...
I KNOW THE TRUTH THAT YOUR WIFE SAVED YOU. SO YOU BETTER THANK HER PROPERLY!
IF YOU CAN'T EVEN DO THIS AS I TOLD YOU, THEN I'LL JUST DISOWN YOU FROM THE LEE FAMILY!
HUK! FATHER, PLEASE...
How can he like his monster-like daughter-in-law more than his own son...
Well... it's not that I'm not thankful at all...
